

	<b>City Improvements</b>	<b>Total</b>	
1	<b>Backflow Preventers</b> covers for all	1	1
2	<b>Banners</b> east/west from Hwy99 on Pennington Road	1	
3	<b>Banners</b> on Broadway	1	
4	<b>Banners</b> replace, with larger banners on Hwy99	2	4
5	<b>Boy Scout Building</b> add an asphalt parking lot next to the building	1	1
6	<b>Building Code</b> change code that requires property owners use contractors when working on their rental properties to allow them to do the work themselves.	1	
7	<b>Building Code</b> look at changing the codes for properties that are over 40 years old or take those properties to a case by case basis based on age and condition of the property	1	2
8	<b>Building Design Standards</b> high school put up big ugly steel building next to Orchard Way.	1	1
9	<b>Buildings, Business</b> have the area landscaped behind the strip mall at Hwy99 and Pennington Road; maybe senior project to paint a mural	1	
10	<b>Buildings, Business</b> Wada King building needs landscaping on south end to block trash area; maybe paint a mural on the back side of the building	1	
11	<b>Buildings, Businesses</b> most businesses in town need to be cleaned up, maybe new paint.	2	
12	<b>Buildings, Businesses</b> remove the mural of population on the Preet Market and replace it with another more attractive	1	5
13	<b>Buildings, New</b> city needs a multi function gym	1	
14	<b>Buildings, New</b> need a Hotel/Motel somewhere in Live Oak	1	
15	<b>Buildings, New</b> need a Super Market	1	3
16	<b>Buildings, Old</b> tear down old warehouse building on Pennington near the park	1	
17	<b>Buildings, Old 2675 Apricot Street</b> - Replace broken, boarded-up window at city building.	1	
18	<b>Buildings, Old</b> Ask Hennan about painting his building on the N Street & Pennington Road side. Possible LOHS senior project	1	
19	<b>Buildings, Old</b> Boon's gas station and rentals need cleaning up	1	
20	<b>Buildings, Old</b> Diamond Walnut facility, renovate site	5	
21	<b>Buildings, Old</b> get rid of the buildings just south of Myrtle Street	1	
22	<b>Buildings, Old</b> need new Library	2	
23	<b>Buildings, Old PG&amp;E substation</b> at Pennington and Larkin is ugly as sin. There is space along the frontage of both streets to plant a landscape hedge to screen from view some of the ugly.	4	
24	<b>Buildings, Old Phone company building</b> on Larkin across from City Hall – replace or remove old slatted fence in front of building, add some landscaping.	1	
25	<b>Buildings, Old</b> remove medical center buildings	1	
26	<b>Buildings, Old</b> repair/replace/demolish or landscape the building south of the bus parking on Pennington Road	1	19
27	<b>Bus Stops</b> add benches or shelters at bus stops in Live Oak	2	2
28	<b>City Hall</b> put up new drapes in front window	1	1
29	<b>Cleanup, Broadway &amp; Fir</b> Ask Taisha about cleaning up old concrete areas on her property.	1	

	<b>City Improvements</b>	<b>Total</b>	
30	<b>Cleanup</b> , develop the Orchard on DeRee Road	<b>1</b>	
31	<b>Cleanup, Hwy 99</b> have owner remove all old vehicles and weeds from empty lot next to Subway		
32	<b>Cleanup</b> , maintain weeds and fence slats on Musgrave on the south side until you reach the park		
33	<b>Cleanup, Phone Booths</b> remove old booths from Ivy & Hwy 99, Ash & Hwy99		
34	<b>Cleanup, Richard Avenue at Presley Avenue</b> - Remove permanent garage sale.		
35	<b>Cleanup, Sheriff Substation</b>		
36	<b>Cleanup, Weed control</b> is needed in many places around town. A few examples:		
	* Vacant subdivision on east side of Sewer Plan Road.		
	* Some of KB Homes vacant parcels		
	* Northwest corner of Archer Ave. and L Street		
	Typically the Fire Department is concerned about the fire danger created by the fields of dry weed. They should have a weed abatement enforcement program	<b>2</b>	
37	<b>Cleanup, Weeds &amp; Debris</b> clean up area at west end of Apricot – junk, weeds, misc. needs to be removed.	<b>1</b>	
38	<b>Cleanup, Weeds and Concrete</b> remove from corner lot of Kola and N Street	<b>1</b>	6
39	<b>Code Enforcement</b> consider a maintenance ordinance for commercial and residential properties	<b>1</b>	1
40	<b>Community Activities</b> begin a soccer league	<b>1</b>	
41	<b>Community Activities</b> start a Peewee football team	<b>1</b>	2
42	<b>Community Building</b> install better A/C unit	<b>1</b>	
43	<b>Community Building</b> install solar panels	<b>1</b>

45	<b>Community Cleanup</b> promote a program requiring RV’s to be off the street and in rear, side yards or in storage.	<b>1</b>	
46	<b>Community Cleanup</b> create a network of volunteer workers, citizen that want to beautify LO, to improve dead beat properties and general cleanup projects	<b>1</b>	
47	<b>Community Cleanup</b> focus on acquiring dead beat properties on Hwy99	<b>1</b>	3
48	<b>Community Events</b> promote/sponsor more sporting and civic events; car shows, craft fairs, soccer matches, and swimming at least two of each per year.	<b>1</b>	1
49	<b>Community Expansion</b> annex properties into the City so businesses will be attracted to build here	<b>1</b>	
50	<b>Community Expansion</b> bring in more businesses	<b>1</b>	2
51	<b>Community Rec Trail</b> get phase 2 and 3 funded and built	<b>2</b>	
52	<b>Community Rec Trail, Bike</b> along the levees from Live Oak to Yuba City	<b>2</b>	
53	<b>Community Rec Trail, Bike or Walking</b> from Feather River to the Buttes	<b>2</b>	6
54	<b>Community Relations</b> be available and support the school system more	<b>1</b>	
55	<b>Community Relations</b> City to provide neighborhood question and answer sessions covering city topics (i.e. wastewater treatment facility), go to the citizen’s neighborhoods instead of having them come to a city meeting where they may feel uncomfortable speaking	<b>2</b>	

	<b>City Improvements</b>	<b>Total</b>	
56	<b>Community Relations</b> create an Internet/Wi-Fi café with rental computers for citizen use, look for an educational grant to fund it	<b>1</b>	
57	<b>Community Relations</b> create government transparency by providing days for the public to visit City Hall and witness the daily activities of each department	<b>1</b>	
58	<b>Community Relations</b> have a second major cleanup day where volunteer groups can be incorporated into the workforce, not paid workers	<b>1</b>	
59	<b>Community Relations</b> have more city sponsored events to show city's connection to the community	<b>1</b>	
60	<b>Community Relations</b> need to get more people involved in City Council Meetings	<b>1</b>	8
61	<b>Corp Yard</b> finish road asphalt in front of grass area, paint building	<b>2</b>	
62	<b>Corp Yard</b> install monument sign at corp yard	<b>1</b>	
63	<b>Corp Yard</b> paint building	<b>1</b>	
64	<b>Corp Yard</b> replace/upgrade corp yard fence	<b>1</b>	5
65	<b>Cross Walk</b> put in flashing lights that come on when a pedestrian crosses the road at certain strategic crosswalks, Hwy99	<b>2</b>	2
66	<b>Curb Gutters &amp; Sidewalks</b> , maintain sidewalk areas on Pennington from Hwy99 to Richards	<b>1</b>	
67	<b>Curb Gutters &amp; Sidewalks, Repair</b> sidewalk on Broadway north and south of Fir Street	<b>1</b>	
68	<b>Curb Gutters &amp; Sidewalks. Repair</b> /replace/upgrade substandard pedestrian curb ramps	<b>1</b>	
69	<b>Curb Gutters and Sidewalks</b> install in the older residential parts of town; west Gum, Q, West side of Memorial Park, Nevada St, Ivy, Gum St east of Hwy99, Ash St, Date St east of Hwy99, Elm St east of Hwy99, Live Oak Blvd., North side of Archer, Kola from Larkin to N Street, L Street from Ash to Pennington, N Street from Elm to Fir, west side of Larkin from Archer to Elm, south side of Pennington from Connecticut to Richards, Pennington south side between Sinnard and Middle School, Pennington North between Orchard and Wooley, O Street from Pennington to Date, DeRee Road, Fir Street, Larkin Road between Allen & Kristen on southbound side across from Sunsweet Dryers, add on the west side of Larkin Road next to and south of City Hall, Birch Street. (Apply for grants to start building those facilities?)	<b>8</b>	
70	<b>Curb Gutters and Sidewalks</b> replace curb and gutter on Fir Street from Broadway to Center Street	<b>1</b>	
71	<b>Curb Gutters and Sidewalks, Repair</b> create a maintenance program for sidewalks, make them free of tripping hazards and vegetation	<b>1</b>	
72	<b>Curb Gutters and Sidewalks, Repair</b> develop a sidewalk improvement plan for all existing City sidewalks and fund annually one project at a time	<b>1</b>	
73	<b>Curbs</b> repaint all red curbs from LOMS to P Street on Pennington Road	<b>1</b>	15
74	<b>Ditch</b> Get drainage district to clean ditches. (Who has the small one that crosses Pennington out towards KB?)	<b>2</b>	
75	<b>Ditch</b> look at other uses of ditches on the west side, i.e. walkways	<b>1</b>	
76	<b>Ditch</b> pipe open ditch on Pennington next to 3450 Pennington Road	<b>1</b>	

	<b>City Improvements</b>	<b>Total</b>	
77	<b>Ditch, Date Street &amp; Apricot</b> pave covered ditch area path between Date Street & Apricot – Landscape	1	5
78	<b>Facility at Apricot Street</b> – backside (at the end of Albert Street) replace the old cyclone fencing with a masonry wall, landscaping.	6	
79	<b>Facility at Apricot Street</b> – remove the old cyclone fence and replace with a masonry wall. Add some landscaping if it fits.	6	
80	<b>Facility at Apricot Street</b> landscape well site, get rid of canopy	4	
81	<b>Facility at N and Kola</b> – remove the old cyclone fence and barbed wire with a masonry wall. Plant a hedge around it; landscape	5	
82	<b>Facility at O Street</b> – Replace the deteriorated cyclone fence and barbed wire with a nice masonry wall. Add some landscaping if it fits.	5	
83	<b>Facility at P and Date Street</b> – remove the old cyclone fence and barbed wire and replace with masonry wall. Add some landscaping if it fits.	6	
84	<b>Facility at Pennington and O Street</b> – clean it up, add a masonry wall. Shrubbery or hedge should be added on the park sides. In addition to being the most visible part of the City park, it is also the ugliest.	5	
85	<b>Facility Lift Station, Broadway</b> replace fence slats	3	
86	<b>Facility Lift Station, Larkin</b> needs landscape	4	
87	<b>Facility Lift Station, P Street</b> paint and/or landscape	4	
88	<b>Facility Lift Station, Pennington Road</b> Paint cover	3	
89	<b>Facility on the east side of Larkin Road</b> – across from the Apricot Street intersection – replace the old cyclone fence with a masonry wall.	4	
90	<b>Facility Well #5, Pennington Road</b> clean up site or abandon	5	
91	<b>Facility, Lift Stations</b> need to replace lift stations at P Street and Penninton Road	2	
92	<b>Facility. Pennington Ranch Park</b> - Replace the ugly fence around the utility area with masonry. Add bushes or a hedge around it.	1	63
93	<b>Food Bank</b> look into the possibility of creating a city food bank where we can accept donations and keep them in case of a city wide emergency and distribute them at the time of the emergency to those in need.	1	1
94	<b>Generators, Backup</b> need backup generators for the storm stations	1	1
95	<b>Graffiti Clean Up</b> create a community graffiti removal team for graffiti on private property and private signs.	1	
96	<b>Graffiti Clean Up</b> request owners paint sides of Sunny’s market and wall of Taisha’s building on Broadway. Possible LOHS senior project	1	
97	<b>Graffiti Deterrent Program</b> one system currently being reviewed	1	
98	<b>Graffiti Removal</b> fence at Date Street Park need paint, too much paint for graffiti removal, Stop Sign at DerRee & Fir Street	2	5
99	<b>Hydrants, Fire</b> need blue reflectors at all hydrant locations	1	
100	<b>Hydrants, Fire</b> Paint all old and rusted hydrants all around town, replace old, substandard hydrants, move out of sidewalks i.e. Maple Park & Pennington	5	6
101	<b>Impact Fees</b> consider extending the lowered impact fees to all builders for a longer amount of time	1	1
102	<b>Light, Signal</b> need traffic light on Hwy99 at Larkin to slow down traffic	1	
103	<b>Light, Signal</b> new traffic light on north end of town, at Kola	5	6

	<b>City Improvements</b>	<b>Total</b>	
104	<b>Lights</b> , night lights on all City buildings and facilities	1	1
105	<b>Lights, Street</b> replace citywide with Cobra Heads, LEDS	2	
106	<b>Lights, Street - Wooden Poles</b> - No more wooden street lights; replace citywide with modern lights – adopt a theme	3	
107	<b>Lights, Street</b> needed on Wooley and Pennington, Pennington & J, Myrtle, Kola west of Hwy99, 2328 Elm, Archer, birch, Ash, Walker Way, 9663 L, Berry Way, Gum east of Hwy99, west side of Fir, west side of Elm, west side of Gum, Ivy, 2846 Date Street	2	7
108	<b>Lions Club Recycle Bins</b> repaint (Sunny's & Dowd's)	3	3
109	<b>Little League Area</b> landscape or put gravel or bark in open areas i.e. behind bleachers, on O street and Park Street	2
